Topic- Covid-19 Underwriting, Now and the Future

Presenter: Norm Leblond

If you have any questions or concerns regarding this event, please reach out to the Advocis Thompson Okanagan at:

ThompsonOkanagan@AdvocisChapter.ca

A lot has changed in the way insurance companies conduct business, and the pandemic has accelerated the pace of change. Fewer traditional underwriting requirements are being collected on the strength of underwriting rules engines, advanced analytics and alternative requirements used to assess risk. Join Norm as he provides an update on the latest changes in risk assessment and what the future holds in the world of Underwriting.

Underwriting Instant Issue Contracts and Change Affected by Covid-19

Presenter: Melanie Boissonneault
