Two simple plans with a fast and easy application process to get your clients the coverage they need.

It's smart, simple and affordable coverage -**NOW**

No medical required. Just answer a few simple questions. Simplified issue process.

One policy ? life insurance only or life with accelerated living benefit coverage ? all in one plan.

When your clients need it ? purchasing coverage today, when your clients are young, helps ensure that they're protected from life's unexpected events.

? because it's important to protect the foundation your clients are building from life's unexpected surprises.
