Your clients generally want to work with someone who is an expert

in their field. [Source URL: https://globalpacific.ca/bulletins/foresters-life/2014-10-14/share-content-social-networks](https://globalpacific.ca/bulletins/foresters-life/2014-10-14/share-content-social-networks)

Finding and sharing great content is a relatively easy way to demonstrate your expertise and turn prospects to clients and clients to referral generators.

Social media has become one of the most effective tools insurance professionals can use to effectively share content.

Jay Palter, one of Canada's top social media advisors, has developed an exclusive training session for Foresters<sup>TM</sup> entitled "How to find and share great content in social networks."

You'll learn:

- The 5 benefits to sharing content;
- How to decide what your audience wants and what you should be sharing;
- Practical tips on where to go to find great content;
- The best ways to distribute content to your target audience.

**We are very pleased to be able to give you complimentary access to "How to find and share great content in social networks."**

Don't miss this information-packed training module. [Click here](#) to go to Bluesky where you can access Producer Academy and start your training today.

As always, we appreciate your support.
