Updated! Dividend client materials

Submitted by Victoria on April 20, 2021 - 3:55pm

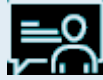

The added value of potential dividend growth

Foresters Financial? members with participating whole life products share in our success through dividends,¹ when we declare them. Foresters has maintained a dividend interest rate at or above 5.5% for the past 22 years.

Our dividend client-facing materials have now been updated with the 2020 dividend interest rate of 5.5%. **Download and share today!**

Put your best foot forward

Highlight the value of participating whole life insurance to prospects with our Advantage Plus² client presentation. It can help guide the discussion and lead you to a sale.
