Interface Suite Web Download Enhancements - Individual Insurance

We would like to invite you to download the new version of the Interface Suite via the Web. Industrial Alliance has made every effort to ensure your download experience goes smoothly.

We recommend that you install this new version on or after **January 1, 2014**. Should you install it before this date, you will be able to create new product illustrations, but the Electronic Application system will not be able to receive or process data from them prior to January 1, 2014.

Whether you download from the Web or install it using the CD, the launch terms for these enhancements remain the same: they will only be **available starting January 1, 2014**. For more information, please see the [launch memo](#).

To download your Interface Suite online, [click here](#).

If you run into any issues, here are some tips that might help:

- **Download blocked by your firewall or Internet restrictions specific to your agency**

We recommend you check with your IT expert to have access to the download site unblocked. The name of the site is s3.amazonaws.com.

- **Slow download**

The estimated download time using a typical high-speed Internet connection is 15 minutes (450MB/5Mbps = 15 minutes).

To optimize the download speed, it is better to use a wired Internet connection rather than Wi-
