Administration TIPS – Investment RSP Business

1. **E-Apps & Electronic Applications for New business &/or Additional deposits** – Where business is submitted online through a carrier’s platform(s), or emailed/faxed direct to the carrier, post copies of applications/additional deposits including client file documents to the client’s VirtGate record or account.
In the event duplicate documents are sent to Global by email or fax (rather than posted to the client’s account), please mark **‘For Information Only’** to prevent Global Pacific from processing and duplicating a trade that was previously sent direct to the carrier.
2. **Use of One-Time PAC/PAD authorization forms** is encouraged to replace use of physical paper cheques.
3. Applications are to include your FundSERV Dealer and Representative code (3200-____) - *enter your unique 4/5-digit code*) which can be found on your Advisor Information screen in VirtGate.
4. In the event you cannot meet the aforementioned deadlines, paperwork considered in good order can be sent direct to the institution’s Head Office and must arrive by March 3, 2026. Please send copies marked **‘For Information Only’** to Global Pacific at email: investments@globalpacific.com.
