

## Life and Health Insurance Agents & Financial Advisors

Global Pacific was founded in 1975, and is a pioneering independent MGA located in Surrey, BC, specializing in the distribution of insurance and investment products from a broad range of supplier companies. We support Independent Financial Advisors, provide insurance and investment advisory and related services, and focus on providing them comprehensive advice, quality products and outstanding service.

Global Pacific is contracting licensed agents at competitive compensation. We also provide leads.

We are easy to get along with and will provide you with a friendly experience with us and our carriers.

We recruit agents in most provinces.

If you are considering getting your life license, we will sponsor the right people.
